Dear Mr Gary,

The purpose of this letter is to clarify matters set out in the Global GreenTag certificate. It provides additional information on the scope, limitations and exclusions of the certificate issued based on information provided by the applicant and its suppliers. It is not a certificate and is not a substitute for the certificate, nor does it include any product variants apart from those specifically shown below.

Scope definition	The certificate applies to Cool Room Panel (50, 75, 100, 150, 200 mm) produced by Conqueror NZ Ltd at their New Zealand factory.
GreenTag Standard	Global GreenTag International Standard v4.0
Certification level	GreenRate Level C Platinum Health Rate (PHD Available)
Licence number	CNZ:CN01:2021:GR CNZ:CN01:2021:PH
Limitations and exclusions:	The certificate only applies to Cool Room Panel with (50, 75, 100, 150, 200) mm thickness.

This information is provided to the applicant in complement to the certificate in order to ensure that the Global GreenTag Certification Mark is used only for products covered by the scope defined therein and in accordance to the current GreenTag Rules for the Use of Mark, and Terms and Conditions documents.
